Adopt-A-Roadside Program

Adopt-A-Roadside” Recognition Sign

If requested, Saint Louis County will provide an “Adopt-A-Roadside” recognition sign at each end of an adopted roadside section. Please note, no “Adopt-A-Roadside” recognition signs will be erected along adopted roadside streets within a Residential Subdivision.

Recognition verbiage will be restricted to 18 characters per line, and two lines per sign. Only capital lettering, numerals, and punctuation will be permitted. Spaces, dashes, and punctuation will count as characters. No symbols or graphics will be allowed. Verbiage will be centered in each line when signs are fabricated. If only 1 line is used, larger characters will be used. The County reserves the right to edit recognition verbiage.
